

## LISTENING ACTIVITIES TO HELP YOUNG CHILDREN WITH DYSLEXIA

Close your eyes and describe what you hear.

Use a tape recorder to tape familiar voices and everyday sounds. Discuss.

Guess the object in the container.

Follow the leader. Give instructions, first one, then two and so on, building up the series.

Lists - give child a list of events in a sequence, e.g. *I am going to put the knife and fork on the table then the spoon, then the salt....* Build up the list one at a time.

Give directions over the telephone.
