The Workhouse

The workhouse in Limavady was calledLimavady.

Georgewas the architect. The first was
the entrance. girls on the, boys on the

..... The very people went
there. In 1847 there was a epidemic. A lot of

..... died and the disease was The
workhouse was because of the

Inmates in the were from each other. A

number ofdied outside the The
place where they were buried was on the road.
